WELCOME

Thank you for considering our online styling services and furniture selection.

We understand that finding the perfect pieces for your home can be a daunting task. That's why we're here to make the process seamless and enjoyable for you.

DESIGN PROCESS

At Dot + Pop, we follow a comprehensive design process to ensure that we deliver exceptional results and create spaces that truly reflect your vision and style. Our design process typically consists of the following stages:

DESIGN PROCESS

ONE

INITIAL CONSULTATION

We begin by scheduling a virtual consultation either via email or zoom to understand your style preferences, budget, and specific requirements. This helps us create a tailored design plan that aligns with your vision.

TWO

DESIGN PROPOSAL

Based on the consultation, we will present you with a comprehensive design proposal. This will include mood boards, color schemes, furniture options, and suggested layouts, all curated to suit your unique taste and lifestyle.

THREE

COLLABORATION

We value your input throughout the process. We encourage you to provide feedback and share any specific ideas or inspirations you may have. This collaboration ensures that the final design reflects your personal style and preferences

FOUR

FURNITURE SELECTION

Once the design proposal is approved, we will assist you in selecting furniture and decor items that perfectly complement the design concept. We have a wide network of trusted suppliers and retailers, ensuring access to a diverse range of high-quality options.

FIVE

ORDERING & DELIVERY

Once the furniture and decor selections are finalised, we can handle the ordering process on your behalf if you require. We coordinate with suppliers to ensure timely delivery to your doorstep. Rest assured, we prioritise quality and strive to provide you with the best value for your investment.
